Agreement ID: NOG-2026-022 | Fictional funder: Cedar Foundation | Recipient: Harbor Bridge Community Initiative

1. Award and term

Total award: **$12,000**. Eligible cost dates: **September 15 through December 15, 2026**. Only activities supporting neighborhood outreach may be charged.

2. Intended program

Support neighborhood information sessions, community outreach events, program-specific printing, travel for participants, and directly attributable staff activities.

3. Approved budget

Cost category	Maximum allocation
Outreach events	$3,500
Direct outreach staff time	$5,000
Local participant transport	$1,500
Outreach printing and materials	$2,000

4. Eligibility rules

• Allowable charges must be directly tied to a documented neighborhood outreach activity during the award term.

• Staff time must be supported by dated activity records; only time actually spent on outreach may be recommended.

• Individual capital equipment purchases above $300 are excluded.

• General office rent and unrelated administrative purchases are excluded.

• Gifts and personal purchases are excluded. A generic merchant description alone is not enough to establish an outreach purpose.

5. Required evidence

• Itemized invoice or receipt showing vendor, date, amount, and service or items purchased.

• Proof of payment for individual purchases of $100 or more.

• For staff time: dated activity records linking work to the outreach program and payroll support.

• For event and printing costs: event name, date, and intended audience.

6. Review and authority

Recommendations are provisional until reviewed by an authorized nonprofit staff member. Do not use this grant merely to absorb costs that are ineligible elsewhere.
